THE science and art of Astro-Palmistry is that branch of Palmistry which deals with the determination of birth time from hand-reading. The importance of this section of hand-reading cannot be questioned from the very fact that the birth time in many instances either unknown or imperfectly recorded, can be found out by methods set forth in this branch. The system is practised by the Hindu Astrologers from ancient times and there are still some astrologers who can accurately estimate the birth time from the hand. Unfortunately the subject is getting extinct for the reason that it has been kept secret with great care and its knowledge usually runs in families with astrological profession. Occasionally one may be fortunate enough to get a few tips from an ascetic, with many of whom the art is still extant. But as these religious persons live a secluded life away from the people, it is very rarely that one can get the advantage of learning from them, particularly as these retired men are very whimsical by nature. Owing to these peculiar circumstances the practice of Astro-Palmistry is confined to
