Now, Isn't that Simple!!!!!!

# Hugging is good medicine.

LE-TANG.TUMBLR.COM  
It transfers energy and gives the person hugged an emotional lift. You need four hugs a day for survival, eight for maintenance, and twelve for growth. Scientists say that hugging is a form of communication because it can say things you don't have the words for. And the nicest thing about a hug is that you usually can't give one without getting one.

## UNITED WAY AND HINDU SOCIETY OF GREATER CINCINNATI

In Greater Cincinnati area most of the companies are in the midst of raising funds for United Way from their employees. Beginning last year, I have been allocating 70% of the money I donate via United Way to organization "Hindu Society of Greater Cincinnati". (I am glad this one was added to United Way list of Non-Profit Organizations). But I have found that awareness about this in our community is not there..

None of my friends or colleagues in office knew that they could do this.

It will be great if you can send this to Temple's distribution list and encourage them to contribute to "Hindu Society of Greater Cincinnati" via United Way donations. On an average, folks in my office (I work for Citigroup, around 100 full time Indian employees.). Donate \$150—\$200 to United Way and even if 50-70% of that is allocated to "Hindu Society of Greater Cincinnati" that will help raise substantial amount for the organization. This can be used for Marg Project Donations too.
