Matsya Avatar

Mastya Avatar

During Sathya Yuga, a demon Hayagriva stole the Vedas and then hid them deep inside the ocean. Lord Vishnu wanted the knowledge of the Vedas to be passed on to the next Yuga. As a Preserver, he had taken the Matsya avatar to protect the Vedas from demons.

There are 4 Vedas. Each Veda has one central declaration, or Mahavakya around which it resolves.

The central declaration of Rig Veda – “Pra Jñānam Brahma”, The highest knowledge is Brahman (the absolute)!. (Aitareya Upanishad 3.3 of the Rig Veda)

The central declaration of Yajur Veda – “Aham Brahm Asmi” -I am Brahman (the absolute)! (Brihadaranyaka Upanishad 1.4.10 of the Yajur Veda)

The central declaration of Sama Veda – “Tat Tvam Asi”. That (Brahman/ the Absolute) you are! (Chandogya Upanishad 6.8.7 of the Sama Veda)

The central declaration of Atharva Veda – “Ayam Atmā Brahma”, This soul is Brahman (the absolute)! (Mandukya Upanishad 1.2 of the Atharva Veda)
